What is the Village?

Tierrasanta Village of San Diego (TVSD) is a 501(c) 3 non-profit membership organization for Tierrasanta residents who have celebrated their 50th birthdays. It enables us to live life to the fullest, as curious, plugged-in, fully vested participants in the community. We've created a social scene that would wear most *young people out!*

Business Supporters

Many local businesses support us with discounts and donations. We return the favor by shopping locally, promoting them in our newsletters and by becoming long-standing customers.
